Ectomorph: +1Dex, -1End

The Soroshe are a major space faring race resembling a human with feathers instead of hair, and small wings under each arm. Soroshe can no longer fly like their distant ancestors, but can glide on planets with Standard or higher atmospheres.

Typical Soroshe adults stand from 1.5 to 1.75m in height, and have a wiry, lithe form. Their complexion ranges in color from pale pink to reddish brown.

The Empire of the Soroshe is a Theocracy ruled by six High Clergy worshipping the patron god of the Soroshe, named Goedregon. Goedregon appears as a massive dark cube carved in mystic runes, with a burning eye on the center of each side. Goedregon is said to reside in a dimension of the mind, governed by non-Euclidian geometry. There are six aspects of Goedregon, each corresponding to each of his eyes, Rage, Logic, Greed, Empathy, Hate, and Love. The star empire of the Soroshe is directly core ward of
